\*Participants who have registered and have already paid their fees but their names are missing from the list can mail us at [training2018@scfbio-iitd.res.in](mailto:training2018@scfbio-iitd.res.in) (kindly put urgent in the subject line).

\*The sequence in which the training programme will proceed is Genome Analysis (1<sup>st</sup> & 2<sup>nd</sup> day), Protein Folding (3<sup>rd</sup> & 4<sup>th</sup> day), Drug Design (5<sup>th</sup> & 6<sup>th</sup> day) and High Performance Computing (HPC) (7<sup>th</sup> day) for each batch. The day counts includes Saturday & Sunday.

\* Participants are also requested to bring their laptop (if you have). Those who don't have can share our Desktops. The only benefit of carrying your own laptop is that you can install the free softwares, manuals, tutorials to be used during training and also can take other training related stuffs on your own laptop.

## **Important Announcement regarding Accommodation**

- There is limited accommodation available during the training, so those who are coming from outside Delhi and can arrange for the same on their own will be highly appreciated. If you don't have any other option then we will provide you the same on payment basis. Charges will be approx. Rs. 450 per day. The accommodation column shows the list of participants requested for accommodation but these are not confirmed. We will send the details of accommodation over mail to individual participant latest by 5<sup>th</sup> December, 2018.
- Snacks (Morning and Evening) and Lunch will be provided to all the participants at the training venue.
- For any query regarding accommodation or any other issue, kindly mail to [accommodation@scfbio-iitd.res.in](mailto:accommodation@scfbio-iitd.res.in)
- Accommodation have been arranged for those who have opted for it and will get the details on their respective mail IDs.
