

As per Journal requirements following are the Abstract Submission Guidelines for Journal of Proteins and Proteomics

Abstract Submission Instructions (Deadline 15th July, 2017)

- ❖ Authors are requested to submit an abstract via email at conference2017@scfbio-iitd.res.in or by online at <http://www.scfbio-iitd.res.in/software/Abstract.jsp>
- ❖ Abstract should include Title, Names and Affiliations of authors along with e-mail ID. A hash is to be put after the name of the presenting author and a star after the name of the corresponding author.
- ❖ The abstract should be of maximum 300 words, excluding Title and Affiliations of the authors.
- ❖ Please format your abstract thoroughly. It will be reviewed for the scientific information but we cannot ensure formatting. It may be printed as such so follow the guidelines carefully.
- ❖ Abstracts are to be presented in English.
- ❖ Use single spacing on A4 size paper with margins of 2.5 cm,; “Arial” font size 11
- ❖ MS Word file must be submitted.
- ❖ Leave one line of space after the Title of the abstract and one line of space after the affiliation. Title and affiliation must be in Bold letters.
- ❖ Authors may indicate their preference for poster presentation and the area of presentation below the abstract.
- ❖ Attachment and subject of the mail should be named in the following format “**Conference Name_Presenting Author Name_DDMMYYYY**” (e.g. **Breaking Barriers through Bioinformatics & Computational Biology_Shekhar_S_05062017**)
- ❖ Abstract text should include a brief introduction and methodology. It should then describe the results followed by a crisp conclusion. The length should be a maximum of 300 words. These sections need NOT be sub-titled – the entire abstract can be one piece.
- ❖ **Figures, Tables, Graphs or Equations should NOT** be included in the abstract.
- ❖ Abstract evaluation and mode (poster/awards) will be decided by the Scientific Committee.
- ❖ References should be given as a part of your abstracts but should be limited to not more than three.

As per Journal requirements following are the Abstract Submission Guidelines for Journal of Proteins and Proteomics

❖ Presenting author of each abstract has to register; if same author is submitting multiple abstracts as the presenting author, separate registration will be required for each submitted abstract.

- In your abstract please provide information for the **registration details**
